

Serial No. 10/034,082  
Amdt. dated January 19, 2005  
Reply to Office Action of October 19, 2004

Attorney Docket No. 29505/PF01994NA

### **REMARKS/ARGUMENTS**

In the specification, the paragraphs at pages 8 through 10 have been amended to correct minor editorial problems. Approval of the changes to the specification is respectfully requested.

Claims 53 through 57 remain in this application. Claims 1 through 52, 58 and 59 have been canceled without prejudice or disclaimer.

The Examiner has acknowledged that claims 53 through 57 would be allowable if rewritten or amended to overcome the rejection under 35 U.S.C. §112, second paragraph, set forth in the above Office Action. The 35 U.S.C. §112, second paragraph, rejections set forth in the above Office Action are directed to claims 7, 20 and 40. Accordingly, by the above cancellation of claims 7, 20, and 40, all 35 U.S.C. §112, second paragraph, rejections have been addressed, and claims 53 through 57 are now in condition for allowance. Reconsideration and withdrawal of the objection to claims 53 through 57 are respectfully requested.

### **CONCLUSION**

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. Also, no amendment made was for the purpose of narrowing the scope of any claim, unless Applicants have argued herein that such amendment was made to distinguish over a particular reference or combination of references.
